A JOURNEY

## OPENING ANIMATED TEXT VIDEO

This video uses text from page 42 of the guide - statements about surrender. It's objective is to provoke thought and set the table for where the rest of the service is going. The statements themselves are things you would hear in conversation or pop culture; not Biblical truths.

## INTERVIEW VIDEOS - EXPERTS AND MELISSA

This video will feature snippets from some of the "experts" featured on the small group dvd as well as the personal story of a woman who follows Jesus and came to a point of surrender to Him.

## DEEPER AND YOU WERE THE ONE

After the video we'll welcome everyone, give some context for the songs we're going to do and invite people to experiment with Jesus by singing these prayers or engage with them by considering the lyrics.

## BRIAN TOME

Brian's message will focus on the story of the coin from Luke 20:20-25. He'll talk about how Jesus calls us to complete surrender to Him.

## INTERVIEW VIDEOS - BRYAN AND JEN

These videos will feature the stories of two people who have surrendered different things in following Jesus. Bryan surrendered a \$300,000 a year job. Jen surrendered bitterness toward people who had hurt her. These videos will most likely come within Brian's message

## SURRENDER

At the end of the service we'll do a song that we ask people to sit under and absorb. It's a song written by Andrea (music leader at Crossroads) that talks about Jesus's call to surrender to Him. At this point in the journey we want to present people with the stark call of Jesus. We're not asking people to surrender right then and there, but are provoking them and exposing them to the reality of Jesus's call. This song will be an opportunity to consider what surrender would look like.
