

OPENING ANIMATED TEXT VIDEO

This video uses phrases about prayer. It's objective is to provoke thought and set the table for where the rest of the service is going. The statements themselves are things you would hear in conversation or pop culture; not Biblical truths.

INTERVIEW VIDEOS - EXPERTS

This video will feature snippets from some of the "experts" featured on the small group dvd.

PRAYER FOR THE CHURCH

This is a song we'll perform. It's message is pretty much in the title.

BRIAN TOME

After the song, Brian will be onstage and begin his message.

INTERVIEW VIDEO - HOLLY/SCOTT

Within Brian's message, we'll play one of two interviews. Either a young woman who recently met God through a series of relationships, or a guy who met God through a series of relationships 10-15 years ago.

REBUILD

We'll close the service with Rebuild, a song we've done during the series. It'll be a prayer for God to rebuild the church.
