We're excited that you're joining us on our All Church Journey: RESET. Adults aren't the only ones who need to know who Jesus is, so we're creating curriculum *just for kids and teens* in the materials Crossroads will be providing for you.

In past years of doing the journeys, we have found that it is a very powerful experience for families when everyone is processing and trying to apply the same concepts—so in addition to the curriculum, we've created a Family Guide to get families with younger kids talking about what they're learning. It all makes for more interesting conversation in the car on the way home from church or around the dinner table!

**The RESET Kids' and Teens' materials include:**

- Lessons and experiences that help kids apply the same objective the adults are experiencing
- Parent newsletters/pages
- The Family Guide (must be ordered)
- Weekend experience tips for teens. (The adult Guide must be ordered for each teen. Order Host materials for every 8-12 students if they will be participating in small groups.)

Free resources will be available online at:  
[www.thejourneypartners.com](http://www.thejourneypartners.com)

**SAVE THE DATES:**

- *Fri, Dec 5-Wed, Dec 10*: deadline for ordering materials
- *Tues, January 20*: Kids & Teens Journey Brunch at Crossroads. You will get to network with others who are passionate about kids and gain valuable insight on how this Journey applies to kids.
- *Sat, January 17*: Craig Jutila Training Event at Crossroads, for children's ministries—more details to follow

Questions? You can contact Becki Czerwonka at 513-731-7400 x528, or at [kidsjourney@crossroads.net](mailto:kidsjourney@crossroads.net).
